April 2017

Dear Sponsor,

Volleyball is the fastest growing and top team sport for high school girls in the U.S. At Chamblee Charter High School (CCHS), we know that girls who participate in athletics have higher levels of confidence and self-esteem. Chamblee volleyball athletes develop the time-management and leadership skills, discipline, and resilience that will serve them well in their academic work and throughout their lives.

CCHS supports 4 girls' volleyball teams—Varsity, Junior Varsity, and two middle school teams comprised of students from Kittredge and Chamblee Middle School. Our student-athletes have the opportunity to compete against top opponents, work with incredible coaches, and compete in our newly renovated gym. We boast an impressive record of 3 appearances at the State Tournament in the past 4 years, and all Chamblee girls are proud to be a part of our volleyball program.

The Lady Bulldogs Varsity team will host six home game dates throughout the regular season. Our second annual Lady Bulldog Middle School Tournament will be held in September to give the middle school teams a chance to compete at the highest level. (Complete schedules for all teams can be found on our website: www.chambleevolleyball.weebly.com.)

DeKalb county has consistently decreased the funds available to athletics overall and does not support middle school volleyball. For this reason, Chamblee Volleyball Booster Club (CVBC) is seeking sponsors for the 2017 volleyball program. All middle school expenses including coaches, uniforms, equipment, and tournament fees are obtained through fundraising and through support from our sponsors. Some of the specific items we hope to obtain are setter targets, hitting boxes, balls, and referee stands.

Your support would be very meaningful and we hope that you will consider joining us in continuing to promote volleyball in our community.

Sincerely,

Dan Kossak
